

ACKNOWLEDGEMENTS

Peter G. Beidler wishes to express his gratitude to Lehigh University for making it possible for him to spend a year at Baylor University, where this project was conceived. Therese Decker wishes to express her heartfelt gratitude to the members of the Moravian College Faculty Development and Research Committee as well as the Department of Foreign Languages for their generous financial support and encouragement which made this project possible.

They also wish to thank the librarians at the Royal Library in Brussels for supplying the photostatic copy of the manuscript.
